Why don't you share the documents and drive during the meeting. Elizabeth was not on the original list. I didn't realize she was involved. If you and Kira want her involved, go ahead and forward the invite.

Hi Wally, As requested, sending briefing materials for our meeting this afternoon. I might share parts of each of for our briefing today...I can run thru select slides on a screen share.

It might be helpful to include Elizabeth as well if she wasn't on your original invitation?

Thank you.
